

Severe Weather Policy

1. It is raining outside and today is my daughter's game day. Is the game still on or will it be cancelled?

If it is raining outside, Britni and Kristin will make the decision to call the game roughly a half hour or so before the game is to begin. **Please do NOT call Britni to ask if the game is canceled.** I only ask this because it prevents me from being able to contact the coaches and the parents. If it is decided that the game will be canceled, Britni will send out a text message, an email, and post to our facebook page. If you have not received a text, email, or facebook post, you can assume the game is still on.

2. What if it starts raining during the game? Will the game be cancelled?

If it is sprinkling, we will most likely not call the game. However, if it starts to rain during the game we will announce to the parents that we are calling it and you may take your daughter home. A phone will be provided to girls that do not have parents at the game and Britni or Kristin will remain with them until a parent can pick them up.

3. Hudsonville Public Schools has canceled events due to severe weather (tornado warning), is Rockets canceled as well?

Because we are using Hudsonville School property, Rockets will be canceled if other Hudsonville events are canceled due to severe weather. Britni will send out a text, an email, and post to our facebook page if this should take place. If a tornado warning were to be called in the middle of a practice/game, I will follow Hudsonville's rules for severe weather and move the girls to a safe area. I do not advise you to pick your daughter up during a tornado warning as the road is not a safe place to be. However, I will not prevent it.
